

Babergh District Council Building Control

Site Inspections

The following statutory inspections must be carried out
(depending on the works):

Stage of Work	Notice Required
Commencement of work	- 2 days prior to inspection;
Foundation excavations	- 1 day prior to inspection;
Concrete in foundations	- 1 day prior to inspection;
Oversite preparation	- 1 day prior to inspection;
Damp-proof course	- 1 day prior to inspection;
Drainage before covering	- 1 day prior to inspection;
Drainage after haunching or covering	- Within 5 days.
Occupation	- 5 days prior to occupation
Completion of work	- Within 5 days

Notice of inspection can be given by either:

Telephone on **01473 825853/825749**,

Text **INSPECT** followed by inspection details to **07797 870220**,

Fax on **01473 825708**,

In person at our offices,

On site to the inspecting officer, or

In writing to Building Control, Babergh District Council,
Corks Lane, Hadleigh IP7 6SJ

Where notice is received before 10.00am, an inspection of the work can in most cases be carried out the same day.
