

## SILVER SURFERS

EVERY WEDNESDAY 1pm – 3pm

INTERNET CAFÉ, SCHOOL STREET, NEEDHAM MARKET IP6 8BB

SITUATED BETWEEN THE LIBRARY AND THE COMMUNITY CENTRE

Don't be left behind in the modern technology world. Our sessions are for you, ranging from absolute beginners to more advance topics.

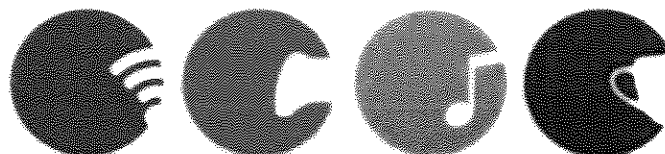

Our sessions are relaxed, informal and friendly; you'll meet people just like you who want to keep in touch with their children and grandchildren. We help you with your mobile phone, tablet/ipad, laptop or desktop computer. Would you like to take photographs on your camera or mobile phone and send them by email to your friends/family or attach them to facebook or other media.

We don't run classes; we answer your questions and help you achieve what you want to do.

Sessions are free and held at the Internet Café every Wednesday.

Come and meet us, you won't be disappointed!

Ample parking; Coffee/Tea available, FREE INTERNET!
