LOCAL ENERGY SHOWCASE

Book a market stall at the Local Energy Showcase and join us on our journey to become carbon neutral by 2030. This event is focused on carbon reduction and provides you with a fantastic opportunity to engage with other businesses, communities, and network with industry leaders.

Having a market stall for your organisation is a great way to participate in the event.

On each day there will be:

- A market place for community-based organisations, businesses and charities
- Expert keynote speakers
- Workshops hosted by leaders in localised energy
- Networking opportunities
- Thought-provoking panel discussions

Market stall holders will benefit from:

- A chance to showcase your brand and products
- Increasing brand awareness in this growth sector
- Networking opportunities with industry experts, new potential customers & community organisations

To get in touch or book your stall email:

BMSDCeconomicdevelopment@baberghmidsuffolk.gov.uk

**2-Day
Event**

Hosted by Babergh & Mid Suffolk District Councils
