

## Application for a variation of Part B permit conditions

### Local Authority Pollution Prevention and Control Pollution Prevention and Control Act, 1999 Environmental Permitting (England and Wales) Regulations 2016

#### Introduction

##### When to use this form

This environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control ('LAPPC'). Installations permitted under this regime are known as Part 'B' installations. Use this form if you already have a permit and wish to vary the permit conditions or wish to make a change to your installation.

##### Before you start to fill in this form

You are strongly advised to read relevant parts of the DEFRA General Guidance Manual (available at: [www.defra.gov.uk/environment/quality/industrial/las-regulations/guidance/](http://www.defra.gov.uk/environment/quality/industrial/las-regulations/guidance/)) issued for LA-IPPC and LAPPC, republished in May 2011. This contains a list of other documents you may need to refer to when you are preparing your application, and explains some of the technical terms used. You will also need to read the relevant sector guidance note, BREF note or Process Guidance note. The EP Regulations can be obtained from [www.legislation.gov.uk](http://www.legislation.gov.uk) website.

##### Which parts of the form to fill in

You should fill in as much of this form as possible. The appropriate fee must be enclosed with the variation application to enable it to be processed further. When complete return to:

**Environmental Protection team, Babergh and Mid Suffolk District Councils, Endeavour House, Ipswich, Suffolk, IP1 2BX**

##### Other documents you may need to submit

There are number of other documents you may need to send us with your variation application. Each time a request for a document is made in the form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with your permit reference number and the name of the installation.

##### Using continuation sheets

In the case of the questions on the form itself, please use a continuation sheet if you need extra space, but please indicate clearly on the form that you have done so by stating a document reference number for that continuation sheet. Please also mark the continuation sheet itself clearly with the information referred to above.

##### Copies

Please send the original and 3 copies of the form and all other supporting material, to assist the Council in conducting any necessary consultation process.

##### If you need help and advice

We have made the form as straightforward as possible, but please get in touch with us at the address given above if you need any advice on how to set out the information we need.
