This is a well-established convenience store located on a petrol forecourt. The site trades under Shell UK Oil Products Limited and is operated by Anglesey Fuels Limited (the Retailer). The site was previously licensed for 24 hour alcohol sales and Late Night Refreshment (23:00 to 05:00 hours) but the existing store has been knocked down and is in the course of being rebuilt. A new premises licence is therefore being applied for. The new convenience store will trade under the Waitrose format and will have a retail area of approximately 1350 sq ft. The store serves both the local community along with passing trade. The convenience store operates 24 hours per day Monday to Sunday and deliveries are also offered via a third-party delivery company. The store will stock and extended range of fresh foods and dairy produce, groceries and other domestic products and will also offer 'express' lunch facilities. In addition, dry fuel products such as BBQ charcoal/kindling/logs will be available. Off sales are a standard and expected feature of the convenience store service. The internal and external digital CCTV system will benefit from a recorder with 31-day image retention and recordings can be made available to Police and other enforcement agencies as needed. The convenience store is operated by the Manager assisted by a team of full and part time staff. The Designated Premises Supervisor, is trained and certified through an accredited scheme and is responsible for training all staff-utilising the Lockett & Co Due Diligence package-and keeping complete training records. The Challenge 25 trading initiative will be used supported by the refusals system with records kept in the Refusals Log.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not

subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
