

## Matter 1a - Legal Compliance

Mr Nigel Roberts (East Bergholt Parish Council)

21 June 0930

In Person attendance Nigel Roberts.

1.1 East Bergholt was unable to achieve any meaningful dialogue with BDC on the JLP from 2019 to 2021, during a time when we were wanting to update our Neighbourhood Plan and have relevant strategic policy discussions.

The Regulation 19 draft has changed little from the Reg 18 consultation draft as if the District was deaf to the volume of comments received.

1.4 The SA is a comprehensive document but the JLP fails to show how it has had regard to the results of the SA nor how the results have informed Strategy and Plan content. It seems to have been ignored.
