

Understanding your poll card

What is a poll card

You'll be sent your poll card just before an **election** or **referendum**.

It is the size of a postcard.

An **election** is when people vote to choose people to run parliament or councils. It's a way for everyone to have a say in what happens in their town or country.

A **referendum** is a special kind of vote where people are asked a big question, to help decide something important.

Everyone gets to have their say by voting.

Your poll card will tell you information like when to vote and at which **polling station**.

A **polling station** is a place where people go to vote.

If you need any help or want to find out if your polling station is accessible please contact us.
