Other (please comment below): (1)			
1	02/02/2026 6:45 PM ID: 290017545	I feel that creation of a conservation area will be beneficial helping to guide the design of any future development in the village while preserving what currently makes it special. I feel a little extra could be included - for example the garden behind Sproughton Hall Farm which curves round to a rather unloved field which seems to have been part of its original driveway so an integral part of its setting and the water meadows opposite the mill & Sproughton Hall Farm that link up with Sproughton Manor and the Arts & Crafts house Hallfield Cottage. The latter was built on part of 'Hall Field' which was originally part of the land owned by Sproughton Hall Farm when it functioned as a farm. I am also surprised that the allotments behind the Wildman haven't been included given they are an integral part of the village scene

1	Open-Ended Question		100.00%	4
1	08/01/2026 11:29 AM ID: 288313588	Not to my knowledge		
2	15/01/2026 7:46 PM ID: 288887810	Maybe the gate house along the high street		
3	02/02/2026 6:45 PM ID: 290017545	You might like to consider Sproughton Court - WWII American forces accommodation.		
4	04/02/2026 12:16 PM ID: 290126490	I think Abbey Oaks should be included, it is noted for its parkland and water lakes. No 11 Church Lane, Gipping Cottage. Over 100 years old. Hall farm cottage which is an important 'arts and crafts' design house built in 1911. The field behind the wild man gives a historical view of the village which needs to be maintained to keep the core village feel conserved.

1	Open-Ended Question		100.00%	4
1	08/01/2026 11:29 AM ID: 288313588	You could consider the area in vicinity of Hope farm and the allotments in order to save the allotments for the community.		
2	15/01/2026 7:46 PM ID: 288887810	Only if the gate houses are included		
3	02/02/2026 6:45 PM ID: 290017545	See first statement		
4	04/02/2026 12:16 PM ID: 290126490	Yes as stated above and stated again below. I think Abbey Oaks with the gatehouse should be included, late Victorian it is noted for its parkland and water lakes. No 11 Church Lane, Gipping Cottage. Over 100 years old. Hall farm cottage which is an important 'arts and crafts' design house built in 1911. The field behind the wild man gives a historical view of the village which needs to be maintained to keep the core village feel conserved.

1	08/01/2026 11:29 AM ID: 288313588	Yes but could be extended slightly.		
2	15/01/2026 7:46 PM ID: 288887810	Yea		
3	02/02/2026 6:45 PM ID: 290017545	Yes		
4	04/02/2026 12:16 PM ID: 290126490	Yes with the additional houses and field as suggested above. Also I think to impose planning regulation controls regarding sheds and also trees not having preservation orders on to the conservation area houses is not necessary. Sheds under a certain size and non TPOs should be exempt from planning.
